## RiverPlay

### SALIENT FEATURES

- The natural challenges that a river throws up forces a team to get together and approach everything together
- We use the ultimate team sport - RAFTING, to drive the challenges and learning for the teams as a collective and as individuals
- Many activities are planned to mirror one's own reality in the face of adversity and includes kayaking, bridge slithering, body surfing, swimming through a rapid, cliff jumping, and many more.
- The best safety net is created for all the activities including experienced rafting guides, safety kayakers, state-of-the-art equipment, etc.
- The rivers for these activities are ones that have been scouted and are being run regularly by our team with a varied clientele
- A by-product of the RiverPlay series is the outstanding camping spots that one gets to camp on every night, which is an experience in itself
- Team of India's best outdoor guides & instructors with the best equipment for a safe & memorable experience
